The *Flower Calendar* for the year 2019 is hanging up in the hallway. Select your date to remember a loved one or to honor a family member or friend. Please mark fresh flowers (\$45.95) or silk flowers (\$5). Make check payable to Prospect Street United Methodist Church and mark it "Altar Flowers." If you order your own flowers, please inform the church office. Thanks!

SUPER BOWL SUB SALE

The Volunteers in Mission Team will be taking orders for subs again starting January 13th and will end on January 20th. These subs will be ready just in time for the Game on February 3rd. The cost of the subs will be \$4.00 each. Pick-up times will be Friday, February 1st, from 5:30-7:00 p.m., Saturday, February 2nd, from 9:30-11:00 a.m., or after both services on February 3rd.

If anyone has an interest in joining us on a future V.I.M. trip, helping to sell and make subs is a good way to help pay for part of your trip. Please see Pete and Judy Stambazze on what is needed.

If you're not interested in serving on a team right now, but would like to join us on Thursday, January 31st, at 6:00 p.m. to make the subs, it would be greatly appreciated. In the past, we've received help from some of our church members who didn't go on our trips, but just wanted to help us out. It really is a lot of fun making the subs and enjoying fellowship at the same time.

I'm asking that each Sunday you notice those who sit around you; and if someone has not been in attendance for a couple of weeks, would you please let the office know. There have been occasions when someone has been sick, and I missed the opportunity to call on them. So let us focus on loving our neighbor and caring for their needs. Thank you.

A VERY HAPPY NEW YEAR TO YOU ALL!

I often reflect at the beginning of each new year what that year will present. What joys will fill my heart and soul and what activities will I be doing? What hardships will I have to overcome and do I have the faith to manage them like I would want? These are questions all of us face from time to time and we are left with no answers until something happens!

As I prepare to have total knee replacement surgery on January 7th, I am approaching the experience with a positive attitude and faith that the surgery will enable me to do the things I want to in the future with gusto! Without this kind of hope in our lives we can easily give up or miss an opportunity God wants to present. I'm anticipating the nurses, doctor and therapists to be amazed at my progress and I expect to be in church preaching on January 20th!

Having just come out of the season of Advent, preparing and expecting the arrival of the promised Messiah, we should continue to live into hope and expectation of continued growth in our relationship with Christ. Romans 5:3-5 says, "...we boast in the hope of the glory of God. Not only so, but we also glory in our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope. And hope does not put us to shame, because God's love has been poured out into our hearts through the Holy Spirit, who has been given to us." This is the scripture I have chosen to lean on through my recovery time and throughout 2019. No matter what befalls our lives - both expected and unexpected - faith is what is going to get us all through and when we suffer, we must remember that through it, Jesus remains faithful and produces hope in us.

We will be starting the third and final part of the Believe series on January 6th by asking the question, "Who am I becoming?" A great question to start the new year. So, pick up your Believe reading again and be prepared to dig deep into the fruits of the Spirit which, according to Paul, should be exhibited by every Christian. Hopefully we can all recognize a shortcoming in our lives and learn how to overcome it to "become" a more committed Christ-follower.

The Leadership Team and I look forward to introducing our objectives for 2019 which focus on our mission statement and continue the church's goal of making disciples for Jesus Christ. May the journey we face together be filled with hope, expectation, discovery and love.

Time to re-decorate the lounge. This is the room next to the Fellowship Hall. The Hilda Weiss Circle would like to take on this project. We will need a lot of financial help from all groups and individuals and some man-power at times. Our plan is to change the accent wall, purchase new sofas and chairs, and some small decorating items. The carpet will stay if possible. It has been 43 years since we have done anything. It is time to clean it up and give it a 2019 update. If you can help us fund this project or give us some time, it would be appreciated. We can only do as much as the funds will allow. If you have any questions or can help, please see Marilyn Sanderson or call 740-389-6717. Thanks to all!

Children's Jr. Worship is held during the second service each Sunday. The children enjoy a portion of the service with the lighting of the candles, hymns, special music, Call to Worship and the Opening Prayer. After the offering is received, the children are invited to the altar with Pastor Thérèse while the congregation sings Jesus Loves Me. Pastor Thérèse talks with the children about the Message being received today during worship. Often, this is an interactive time with the children and always ends with a prayer. Children ages 4 through the 5th grade are dismissed to go upstairs for Junior Worship. The children are greeted at the sound board in the back of the sanctuary by the Jr. Worship assistant for the day and taken to the classroom located on the second level where the classroom teacher is waiting to greet them. The children get their name tags and find a seat. There is a dedicated space on the board for the children to express any prayer concerns they have. We write the concerns on the board and then do a group prayer. The lesson plans coincide with the Message the adults are hearing as well. We have roughly a half hour together. Depending on the lesson we may view a short video, read a Bible story, do a craft, play a game, or have a lesson with Tommy the class visitor. Sometimes, we can get it all done, sometimes we can't - and that's ok. A member of the congregation comes up to the room to notify us that time is up, and the children are walked back down to the sanctuary to enjoy the last Benediction response as a family. The children are sent home with a Family Page to continue the learning, a picture to color, and conversation starters if the family chooses. Each week the classroom teacher is the same with a different assistant teacher for the consistency for the children. The attendance varies from 3 to 8 children each week, and we are grateful for each child.

Blessings,
Tracey Rector
Classroom Teacher

OUT-REACH MINISTRIES (Community)

“Whenever we have the opportunity, we should do good to everyone.”

Galatians 6:10

As we begin a new year, I want to challenge everyone to what I call "Invite 52 in 2019".

We have 52 weeks in a year and if you invite one person once a week that is only 52 people. You could invite the same person more than once. Sometimes it can take a lot of encouragement to get someone to attend church.

On Saturday, February 2nd, 2019, from 9:00 am to 10:00 am in the Fellowship Hall we have a talk and demonstration on the AED (automatic external defibrillator). This is not a certification class.

Please continue to pray for the delegates of the General Conference for February 2019 announcements. I know Pastor Therese will have an update and information discussion. Date and time will be announced.

It is always a blessing to serve God and this congregation.

Love, Peace, and Grace be with you all. Terry Huff

Leapin' Outreach located in the old Marion Star building (150 Court Street) needs volunteers on Tuesdays from 5:30 - 7:30 p.m. and Thursdays from 10 a.m. - 12 noon. All help is welcome! We specifically try to encourage workers from our congregation on the first Tuesday of every month, which falls on **January 8th** this month!

Love INC Personal Needs Bank collection ~ Sunday, January 13th. Items needed: dish soap, paper towels, household cleaners, tissues, plastic bags, bleach, laundry detergent, deodorant, toilet paper, fabric softener, shaving cream, combs, razors, shampoo, hair spray, toothpaste, toothbrush, and ladies hygiene products. Put your donations in the box marked Love INC in the rear of the sanctuary.

Neighborhood Supper will be held Friday, January 18th, at 5:15 p.m. You are, also, encouraged to come in early to fellowship with the participants. This month's meal will be spaghetti w/meat sauce, corn, pineapple chunks, bread & butter, cookies, and beverages. The following items are needed: spaghetti sauce, canned corn, canned pineapple chunks or tidbits, grated cheese, punch or punch mix, coffee, napkins, styrofoam 10 oz. cups, dinner plates, and small bowls. Please bring your donations to the church kitchen by January 16th.

The **personal care item** we'll offer diners at the Neighborhood Supper this month is tissues. Please leave donations in the basket in the back of the sanctuary.

Salvation Army Food Pantry collection will be Sunday, January 27th. Suggested donations: Soup & Crackers.

Laundry Love Ministry will be Monday, January 28th, at 4:15 p.m. at the Southland Cleaning Village, 355 S. Main Street in Marion.

Community Breakfast will be held every fourth Saturday of each month. Our first breakfast for 2019 will be Saturday, January 26th, from 8:30 - 10:30 a.m. This community outreach is sponsored by the Men's Prayer Breakfast group and the UMW's SKI group. This is a free breakfast and open to all (donations will be accepted). This is a wonderful opportunity to get involved and reach out to our community and build relationships with our neighbors. Come support or just have breakfast and fellowship. If you have questions, talk to anyone from the Men's Prayer group or SKI group. Hope to see you there.

Pass on the Praise

(This column is an opportunity for YOU to express appreciation for a ministry or person that touched your life in a beautiful way. Send your "Praise" to Erika by our monthly newsletter deadline.)

Thanks to everyone who participated in the Fall 2018 Avon Campaign. We had sales of \$975.00 with a profit of \$250.27. If you didn't find anything in the catalog this time, be sure to pick up a book at the Spring campaign in late March or early April. Exact dates will be announced later!

We would like to say thank you for the beautiful words Pastor Thérèse said about our little boy during his funeral. We would also like to thank the church for all the donations. Everything was deeply appreciated!
Jordan Harper's Family

Dear members of Prospect Street UMC! Your loving and generous donation of hats, gloves, and socks will benefit so many of our clients in helping to keep them warm this cold winter season. What a blessing! Thank you and God bless!
Pat Hensel, Director of Leapin' Outreach

Just want to say thank you to everyone who said prayers, sent cards, or came to visit me, especially the group of Carolers, Pastor Thérèse and Pastor Joe. Blessings to all,
Dick Balis

Thank you so much for letting us have our family playgroup at your church once again! It is a fantastic space and a great location for us and our families! We very much appreciate your kindness and generosity. Merry Christmas! **Marion County Help Me Grow**

The Annual Local Missions Bazaar was a fun day. Our vendors told us we have the best food of any bazaar in town. That makes Judy Smile! This year we raised \$1080.35. The Guiding Light Circle, which sponsors the bazaar, supported by all UMW groups, gave 10% to our church's 2nd mile giving off the top. Then the Salvation Army, Voice of Hope Pregnancy, and our Laundry Love \$350.00. So once again, we met our goal of supporting Marion Missions. Thanks to all who helped and participated.

Kudos to Tammy, Lillian and our children. The Children's Christmas Program was exceptionally well done. The scenery was simplistically accurate, the character's costumes befitting the story, and the message exact. I especially liked the encouraged audience participation and clarity with which the readers spoke. Thanks to all who were part of delivering the great message of the perfect ones birth.

Boy oh boy, can we make music! There were several times this Advent Season I felt as though I was sitting in a grand cathedral! I heard the story presented in so many heart touching ways from all of our musicians and vocalists. Thanks for sharing the talents and gifts Our Father gave to you. Bearing witness through spectacular words and sounds is such an awesome gift to all those that hear. Each music servant shared "He is Born" in a unique and touching way. Thank you for touching my heart, lifting my spirit, and renewing my soul to love more gently.

Seasonal Affective Disorder (SAD) - By Mayo Clinic Staff

Overview ~ Seasonal affective disorder (SAD) is a type of depression that's related to changes in seasons — SAD begins and ends at about the same times every year. If you're like most people with SAD, your symptoms start in the fall and continue into the winter months; sapping your energy and making you feel moody. Less often, SAD causes depression in the spring or early summer. Treatment for SAD may include light therapy (phototherapy), medications and psychotherapy. Don't brush off that yearly feeling as simply a case of the "winter blues" or a seasonal funk that you have to tough out on your own. Take steps to keep your mood and motivation steady throughout the year.

Symptoms ~ In most cases, seasonal affective disorder symptoms appear during late fall or early winter and go away during the sunnier days of spring and summer. Less commonly, people with the opposite pattern have symptoms that begin in spring or summer. In either case, symptoms may start out mild and become more severe as the season progresses.

Signs and symptoms of SAD may include:

- Feeling depressed most of the day, nearly every day
- Losing interest in activities you once enjoyed
- Having low energy
- Having problems with sleeping
- Experiencing changes in your appetite or weight
- Feeling sluggish or agitated
- Having difficulty concentrating
- Feeling hopeless, worthless or guilty
- Having frequent thoughts of death or suicide

Fall and winter SAD ~ Symptoms specific to winter-onset SAD, sometimes called winter depression, may include:

- Oversleeping
- Appetite changes, especially a craving for foods high in carbohydrates
- Weight gain
- Tiredness or low energy

Spring and summer SAD ~ Symptoms specific to summer-onset seasonal affective disorder, sometimes called summer depression, may include:

- Trouble sleeping (insomnia)
- Poor appetite
- Weight loss
- Agitation or anxiety

Seasonal changes in bipolar disorder ~ In some people with bipolar disorder, spring and summer can bring on symptoms of mania or a less intense form of mania (hypomania), and fall and winter can be a time of depression.

When to see a doctor ~ It's normal to have some days when you feel down. But if you feel down for days at a time and you can't get motivated to do activities you normally enjoy, see your doctor. This is especially important if your sleep patterns and appetite have changed, you turn to alcohol for comfort or relaxation, or you feel hopeless or think about suicide.

Causes ~ The specific cause of seasonal affective disorder remains unknown. Some factors that may come into play include:

- **Your biological clock (circadian rhythm).** The reduced level of sunlight in fall and winter may cause winter-onset SAD. This decrease in sunlight may disrupt your body's internal clock and lead to feelings of depression.
- **Serotonin levels.** A drop in serotonin, a brain chemical (neurotransmitter) that affects mood, might play a role in SAD. Reduced sunlight can cause a drop in serotonin that may trigger depression.
- **Melatonin levels.** The change in season can disrupt the balance of the body's level of melatonin, which plays a role in sleep patterns and mood.

Risk factors ~ Seasonal affective disorder is diagnosed more often in women than in men. And SAD occurs more frequently in younger adults than in older adults.

Factors that may increase your risk of seasonal affective disorder include:

- **Family history.** People with SAD may be more likely to have blood relatives with SAD or another form of depression.
- **Having major depression or bipolar disorder.** Symptoms of depression may worsen seasonally if you have one of these conditions.
- **Living far from the equator.** SAD appears to be more common among people who live far north or south of the equator. This may be due to decreased sunlight during the winter and longer days during the summer months.

Complications ~ Take signs and symptoms of seasonal affective disorder seriously. As with other types of depression, SAD can get worse and lead to problems if it's not treated. These can include:

- Social withdrawal
- School or work problems
- Substance abuse
- Other mental health disorders such as anxiety or eating disorders
- Suicidal thoughts or behavior

Treatment can help prevent complications, especially if SAD is diagnosed and treated before symptoms get bad.
